

Floor Standing Kiosk Support Customization

It is because SuiYi specifically designed the floor standing KIOSK W to be slim that it can fit anywhere. When space footprint is an issue and/or you don't need many peripherals, the SuiYi Kiosk W will be your choice.

Product Description

Unlike SuiYi's KIOSK B & KIOSK X, this KIOSK W has a secure back door that prevents theft and allows easy access to the display and other internal components for easy maintenance.

**FAQ**

1. I would like to ask you if it's possible to have my logo on the product.

SuiYi is very supportive of logo customization service. But hopefully you know that this is an additional service, so there is an additional cost.

2. How long does it take to deliver the goods after payment has been made?

Generally, we will dispatch the goods within 3-5 working days after the customer's payment has been received.

3. Do you accept OEM or ODM customization? Do you offer design support?

Customization is accepted as long as the MOQ for OEM or ODM is met (please ask customer service for details) and design support can be provided.
